The group have had two papers accepted for the AAAI-14 conference, in Quebec City, Canada:

- *Planning as Model Checking in Hybrid Domains*. Sergiy Bogomolov, Daniele Magazzeni, Andreas Podelski and Martin Wehrle.
- *Symbolic Domain Predictive Control*. Johannes Lohr, Martin Wehrle, Maria Fox and Bernhard Nebel.

In addition, Derek Long and Daniele Magazzeni will give a tutorial on *Planning in Hybrid Domains* on Monday 28th.
